

Diner Code of Conduct

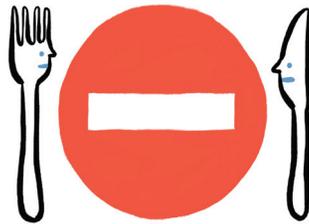

We're creating the safest dining experience we can.
And we need your help, too!

Wear a Mask

When at the restaurant, **I'll wear my mask as often as possible.**

That includes when I arrive, when I interact with servers, when I'm not actively eating or drinking at the table, when I walk to the restroom, or even when I get a breath of fresh air outside.

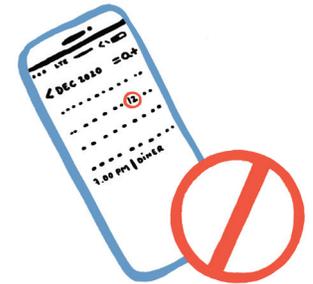

Be Nice

I understand that **mutual kindness is paramount** to good hospitality. I will show appreciation for all those working to serve me. I also understand that management reserves the right to **refuse service to anyone not wearing a mask.**

Make Space

I'll keep physical distance from staff and fellow guests while I am checking in, waiting to be seated, and waiting for the restroom. You'll show me when, and where, I can comfortably wait.

Be Responsible

I'll cancel or reschedule my visit if I've been exposed to COVID-19 recently or felt any symptoms in the past three days, regardless of whether I've been tested. You'll make it easy and cost-free for me to make a new reservation after I stay home for 10 days.
