WINTER 2022 TASTE AMERICA®
CULINARY SERIES PRESENTED BY
CAPITAL ONE**

**Chefs from 18 Cities to Participate in Winter 2022 Dinner Series to
Celebrate Local Independent Restaurants and Build Support for
Industry Recovery**

NEW YORK, NY (November 19, 2021) – The James Beard Foundation announces featured chefs, cities, and programming for the continuation of its Taste America culinary series. Kicking off on Tuesday, January 11 in Boston, the winter 2022 series, presented by Capital One, will feature a lineup of dining events in 18 cities nationwide including San Juan, Puerto Rico.

For this winter's Taste America series, the James Beard Foundation is excited to bring chefs and diners back together to safely celebrate local independent restaurants in-person, and support efforts to rebuild a more sustainable and equitable industry. 65% of all tickets sold will go directly to the participating chefs' restaurants to support their business, with 35% supporting the James Beard Foundation's national programming, including the Open for Good campaign. The James Beard Foundation's Open for Good campaign is committed to helping independent restaurants survive the COVID-19 crisis, rebuild stronger, and thrive for the long term. As part of this campaign, the Foundation has created the James Beard Foundation Food and Beverage Investment Fund for Black and Indigenous Americans, which recently provided its third round of \$15,000 grants to food and beverage businesses, majority-owned by Black or Indigenous individuals, across six regions nationally. For information on the Foundation's Open for Good campaign, industry support resources, and the Investment Fund, please visit jamesbeard.org/aboutopenforgood.

Each event ticket includes a three-course meal by featured chefs that showcases their signature styles and highlights the uniqueness of their communities, plus beverage pairings to be enjoyed at the participating restaurant, with safety regulations strictly

enforced as mandated by the local governance. More details on events in each participating city can be viewed at jamesbeard.org/tasteamerica.

Capital One cardholders have the exclusive opportunity to purchase a Capital One Access Pass that allows them to enjoy the three-course meal and beverage pairings while also receiving exclusive special perks. You must use an eligible Capital One card to purchase a Capital One Access Pass. Excludes Capital One-issued private label cards. Availability is limited. The box office is now open for the general public and Capital One cardholders for all events and tickets can be purchased at www.jamesbeard.org/tasteamerica.
